

Circle's convenient **Professional Repair Kits** make storm window and screen repairs easy and profitable. When you keep a selection of parts on hand, you ensure that your customers will not have to wait for repairs - or worse, take their business elsewhere. This catalog includes our **Kit Key Code**. Each kit is coded based on the key to the right. As you look through the repair parts on pages 13 through 27, you'll see that parts associated with a kit are coded to match.

### Repair Kit Key Codes

- A** 2770    **B** 2780
- C** 2782    **E** 2784
- F** 2772    **G** 2786

## 2770 Repair Kit

**A**

### Features:
